**BROADENING REISSUE APPLICATION**  
**DECLARATION AND POWER OF ATTORNEY**

Commissioner for Patents  
P. O. Box 1450

Sir or Madam:

I, Gaetan Heno, hereby declare and say that:

1. I believe that I am the original, first, and sole inventor of the subject matter that is described and claimed in United States Patent Number 6,408,151 B1 (hereinafter the "'151 patent") that was granted to me on June 18, 2002. My residence, address and citizenship are stated as follows below my name:

Name:      Gaetan Heno  
Residence:      670 Rue du Tertre  
                    44150 Ancenis, France  
Citizenship:      France

2. I believe that I am the original and first inventor of the subject matter which is claimed in claims 1-15, which is described in the '151 patent, which is described in the foregoing specification, and for which invention I solicit a reissue patent. I hereby state that I have reviewed and understand the contents of the above-identified specification, including the claims referenced above.

3. I acknowledge the duty to disclose to the Patent and Trademark Office all information known to me to be material to patentability, as defined in 37 C.F.R. §1.56.

4. I believe that the original '151 patent is partly inoperative because I inadvertently claimed less than I had a right to claim in the issued '151 patent. I further believe that the '151

patent is partly inoperative due to a number of errors all of which were committed without any deceptive intent. This reissue application is based on the error that, for example, issued claim 1 contained in the original '151 patent is unnecessarily narrow in that it claims:

- b. a first cleaning member removably coupled to said housing and adapted to clean a card being fed at an angle relative to said housing, said housing being adapted to receive said card at an angle; and
- c. a second cleaning member removably coupled to said housing and adapted to clean said first cleaning member during machine operation.

instead of claiming, as stated in new claim 16 submitted herewith:

16. (new)

- a. a first cleaning component structured and arranged to engage and present to a moving media unit being cleaned, a changing first contact surface area; and
- b. a second cleaning component structured and arranged to engage and present to said first cleaning component, a changing second contact surface area;

I further believe that any errors which are being corrected in the present reissue application up to the time of filing of this declaration arose without any deceptive on anyone's part.

5. I hereby appoint the following attorneys to prosecute this application and transact all business in the Patent and Trademark Office connected therewith: Eric D. Cohen, Reg. No. 38,110; A. Sidney Katz, Reg. No. 24,003; Richard L. Wood, Reg. No. 22,839; Jerold B. Schnayer, Reg. No. 28,903; Eric C. Cohen, Reg. No. 27,429; Joseph R. Marcus, Reg. No. 25,060; Gerald S. Schur, Reg.
